Christmas Made...

For most of us Christmas is a key trading period, I wanted to outline some trends and easy tips for Christmas 2018 that will help your business stand out from the crowd.

A NEW TWIST ON OLD FAVOURITES

A new twist on old favourites - why not try adding a little spice or some herbs to your stuffing recipe? Or add some new, more innovative part food to your menu for those customers looking for something different. Don't forget to check out the party food recipes from our development chefs on our website.

ALCOHOL FREE

This continues to be a key theme in 2018, so why not look at some Christmas themed non-alcoholic alternatives for your customers, get creative with festive themed syrups and flavour profiles, and don't forget to make your drinks both alcoholic and non-alcoholic as "Instagrammable" as possible, it will help to create an online buzz about your Christmas offers.

CHRISTMAS MADE HEALTHY

It wouldn't be a trend update without mentioning health but Christmas and health aren't the perfect partners in my opinion! If health is on your Christmas agenda simple things like cooking in different types of oils and fats and keeping an eye on portion sizes can help make Christmas meals a little healthier for your customers and protect your profitability.

HYPER LOCAL

The focus on local food continues to be a big trend for Christmas 2018, if you are using local product, be sure to call it out on your menus, your customers will remember it.

Wishing you all a happy, healthy Christmas and a peaceful prosperous 2019.

Sourdough bread*

INGREDIENTS

- 1 Cooleeney Camembert
- 2 sprigs of fresh thyme
- 1 pinch of chili flakes
- Extra Virgin Olive Oil to drizzle
- 6 ripen figs
- 100g of butter
- 4 large slices of good Sourdough bread

METHOD

Place the figs standing up on a baking tray.

Score a cross on the top of the fig, 1/3 through it. Insert a knob of butter.

Bake in the oven at 180°C for 10 to 15 minutes.

Score a deep cross on the top rind of the cheese and insert the 2 sprigs of fresh thyme.

Sprinkle with chili flakes, and drizzle with olive oil.

Arrange the Camembert in a small baking pot.

Bake at 180°C for 15-20 minutes.

Remove from the oven, and serve with the roasted figs and some grilled Sourdough bread.
