# ST. PATRICK'S DAY

## *Hampshire Smoked Rack Bacon*

Avg W 3Kg  
784612 | 1 x Kg | £7.99

Elevate your menu this St Patrick's Day with this twist on classic Cabbage & Bacon using our Hampshire Smoked Bacon Rack.

A great alternative for your centre plate. 100% Irish and locally produced, this smoked bacon is juicy, tender and ideal for a gastro pub menu, or as a lunch option.

Try serving as a Bacon Chop with Charred Hispi Cabbage accompanied with a creamy wholegrain mustard sauce.

“After using the Smoked Hampshire Pork Rack I have found it to be a fantastic and consistent product. With it being of single farm providence and breed specific it fits well into our ethos and vision. A beautiful cut of meat which our guests enjoyed greatly.

- Stephen Higginson, Square Bistro

**We were proud to attend the World Steak Challenge awards in London in November to accept the Gold Medal for our Butchers Select Striploin Steak and Bronze Medal for our Butchers Select Rib Eye Steak.**

Launched in 2015, the World Steak Challenge gives steak producers across the world a unique opportunity to benchmark product quality, breed credentials and

processing standards on the international stage. They pride themselves on offering an independent, robust and fair judging process from start to finish.

Proudly accepting our awards were James Canavan, Trading Manager, Musgrave MarketPlace, Christy Broe Meat Specialist, Musgrave MarketPlace & Mel Bohan, Kepak Group.

# KEPAK 5 Pillars of Sustainability

## 1 | AGRICULTURE AT OUR CORE

Kepak work collaboratively with over **21,000 individual farmers** across Ireland and the UK.

## 2 | RESOURCE EFFICIENCY

**100% of all Irish sites** are powered by green energy, reducing greenhouse gas emissions. **Wind turbines at Cork site supplies 30% of its energy requirements, reducing carbon footprint by 1,152 tons.**

## 3 | HEALTH & NUTRITION

## 4 | RESPONSIBLE SOURCING

Kepak works closely with their suppliers to assess their sustainability performance, identify any gaps and work with them to continuously improve their sustainability policies and share best practices.

100% of cardboard is FSC certified. Their packaging redesign project in 2020 has reduced their cardboard usage by 140,000M<sup>2</sup> per Annum.

Committed to having all branded consumer packaging recyclable, reusable or compostable by 2025.

Removed harmful plastics (e.g PVC and EPS) from packaging lines in 2020.
